ORGANIZER'S PROFILE

(<http://www.umfcci.com.mm>)

The Republic of the Union of Myanmar Federation of Chambers of Commerce and Industry ("UMFCCI") is a national-level non-governmental organization which represents and safeguards the interests of the private business sector. UMFCCI was founded in 1919 under the name of the Burmese Chamber of Commerce, and upgraded as

Event Title : UMFCCI Centennial International Expo
Event Theme : Promoting Local and International Businesses
Exhibit Area : 6000 Square Meters
Exhibitor : 200 (Tentative)

a federation in 1999 in line with the adoption of the market-oriented economic policy by the state. UMFCCI is formed with 16 Regional and State Chambers of Commerce and Industry, 9 Border Trade Chambers of Commerce and Industry, 51 Affiliated National Level Federations and Associations and over 40,000 members. It has signed 154 memorandums of understanding with international chambers and business organizations.

UMFCCI acts as a bridge between the State and the private sector, and represents business interest and views to the Union Government. It participates in the Government's working committees and seminars. UMFCCI provides opportunities for improving business knowledge and skill. UMFCCI will enable you to open the door to many contacts and interactions that help business grow through our strategic network. UMFCCI provides various services, such as education services for business and economic fields, provides trade information, business facilitating services, business matching and consultancy services, organizing delegations for participating in trade

fairs, exhibitions, workshops, study tours and other services as needed for the promotion of private business sector.

To provide support towards the development of country's economy, UMFCCI organizes business meetings and establishes business contacts, organizes and supports the participation of local business at trade fairs and exhibitions, both international and local. UMFCCI participates in over a hundred international and local trade fairs annually, in order to open up opportunities for Myanmar exporters to meet directly with foreign businesses. Trade Fairs and Exhibitions enable Myanmar products and services to gain access to overseas markets.

As UMFCCI was founded in 1919, it has spent 100 years supporting businesses in Myanmar. UMFCCI is aware of the issues that affect businesses in Myanmar. It disseminates trade and market information. It provides first-hand insights on Myanmar's business trends, by providing you with valuable government and industry connections. Our international Trade Inquiry Service helps you to find partners to source your products. UMFCCI issues commercial documents and certificates of origin for goods to be exported.

UMFCCI is a member of the International Chamber of Commerce (ICC), the ASEAN Chamber of Commerce and Industry, ASEAN Business Advisory Council, East Asia Business Council, Greater Mekong Sub-region Business Forum, Ayeyarwaddy Chao-Phraya Mekong Economic Cooperation Strategy (ACMECS), and works closely with the World Bank, IMF, World Trade Organization and the Asian Development Bank, providing valuable experience of the requirements of international businesses and markets.

THE CENTENNIAL EXPO PROFILE

www.umfccicentennialexpo.com

UMFCCI Centennial International Expo will be held in commemoration of the 100th Anniversary of UMFCCI which reached its centennial in 2019. The Expo will include 200 exhibitors and shall bring nearly 100,000+ visitors. The Three-day Expo is designed to provide international and local exhibitors with the opportunity to discover the investment and trade potential in Myanmar and our Myanmar exporters to meet directly with foreign buyers. UMFCCI successfully held Invest Myanmar Summit 2019 in January in a series of centennial event in 2019. Now Centennial International Expo will be following in a grand scale and many exhibitors from far and near around the globe will be participating to grab the new opportunities for business and investments. So, it is a fantastic opportunity to be connected with international manufacturers, distributors and service providers.

MESSAGE FROM SUPPORTERS

H.E. U Khin Maung Cho
Union Minister
Ministry of Industry

Trade Show Expos serve as potential platforms for showcasing of latest products, technology, sources of supply and others. The Centennial International Expo to be organized by UMFCCI, Myanmar's National Apex Private Sector Organization, can greatly support to promote collaboration between Myanmar and International businesses and help our industrial growth.

H.E. Dr. Than Myint
Union Minister
Ministry of Commerce

Ministry of Commerce extends its hearty congratulations to UMFCCI for successfully organized the Invest Myanmar Summit at Nay Pyi Taw in January 2019 and MOC feels greatly honored for actively supporting it. UMFCCI is now organizing the "Centennial International Expo" in September 2019 and the objectives of which concur with those of MOC to actively enhance and develop Myanmar's market oriented economic policy by promoting Trade and Investment through local and overseas participation and collaboration. Ministry of Commerce strongly believes that by enhancing public private partnership with UMFCCI would achieve sustainable development of our economy.

H.E. U Thaung Htun
Union Minister
Ministry of Investment and
Foreign Economic Relations

After successfully holding the Invest Myanmar Summit in Nay Pyi Taw in January this year, UMFCCI is venturing to hold the "Centennial International Expo" a mega Exhibition event with the active participation of local and overseas Exhibitors to promote trade and Investment in our country. We strongly believe that this expo will help usher in trade and investment and further promote and consolidate economic relations between local and overseas businesses.
