

Concept Paper

2019 ASEAN-China Youth Winter Camp

I. Background

Linked by mountains and rivers, China and ASEAN are good neighbors, good friends and good partners. With the continuous development of ASEAN-China relations, people-to-people exchanges have become a new highlight. The younger generation is our future and shoulders great responsibility in building an even brighter future for ASEAN and China and the region as a whole. Promoting ASEAN-China Youth Exchanges will provide a solid foundation for our future leaders to build network, trust and friendship.

To further strengthen the communication and exchanges as well as enhance mutual learning and understanding among youths of ASEAN Member States and China, Japan and the Republic of Korea, ACC will host the 2019 ASEAN-China Youth Winter Camp in three provinces of Hainan, Jilin and Heilongjiang, China from 13 to 22 December, 2019. Through various activities, the Campers will experience the diverse cultures of China, raise the awareness of the significance of the development of ASEAN-China relationship, embrace opportunities for network building, and strengthen mutual understanding and friendship, thus contributing to an even closer ASEAN-China community with a shared future.
