

Demographic Dynamics and Frontline of Caregiving in ASEAN

ASEAN-Japan Centre

The ASEAN-Japan Centre (AJC) organizes the webinar “Demographic Dynamics and Frontline of Caregiving in ASEAN”. In some areas in ASEAN, the aging society has become a major social problem, and nurturing human resources and developing facilities for the caregiving industry are indispensable. On the other hand, the differences of the norms for social welfare, pension systems, and laws among countries can be seen often.

This webinar focuses on the demographics of whole ASEAN, and the frontline of the caregiving industry, especially in Thailand, Singapore, and Viet Nam, which have faced with the aging society. This webinar considers caregiving as a common issue between Japan and Southeast Asia Region.

It is our hope that this webinar will be useful for you who are interested into population issues and social welfare.
